OFFICE OF PROFESSIONAL PRACTICES

The Office of Professional Practices, a division under the auspices of the Superintendent of Public Instruction, is charged with enforcement, including discipline of educational practitioners for violation of the Professional Code of Conduct. The office receives, investigates, and makes legal findings regarding complaints. A nine member professional advisory committee reviews appeals from proposed disciplinary actions. Educators who violate the code may be reprimanded or their license to practice may be suspended or revoked.

The Office of Professional Practices also reviews charges that an applicant for or the holder of professional certification lacks good moral character or personal fitness. These standards are set forth in WAC 181-86-013 and address commission of criminal acts and other behavior which endanger children. Commission of criminal acts may not be directly related to professional conduct but they do reflect upon the trustworthiness of serving as a professional educator.
